Notes:

Troop dues cover the cost of advancement awards, activities, refreshments and most events. Special programs like the annual Mystery Trip and Summer Camp are billed separately.

The Troop will enforce financial obligations that are associated with a Scout's commitment to participate in an activity or event, even if the Scout is unable to participate (for any reason). **If the Troop spends funds for a Scout to participate, the fee will be assessed unless another Scout replaces the first Scout.**

Be aware that in 2018 the Troop is expecting to pay a \$36 "Program Fee" per Scout, to the local scout Council, but in return does NOT receive any funding from the Council. This program fee will cover certain camp expenses and adult leader training costs.
